The Bazar is edited with a contribution of tact and talent that we seldom find in any journal; and the journal itself is the organ of the great world of fashion--Boston Traveller.

The Bazar commends itself to every member of the household--to the children by its and pretty pictures, to the young ladies by its and plates in endless variety, to the professional matron by its patterns for the children's clothes, to pater-familias by its tasteful designs for embroidered slippers and luxurious dressing-gowns. THE NEW YORK TRIBUNE

"The Leading American Newspaper."

FOUNDED BY HORACE GREELEY.

In the recent elections the people have declared in favor of honesty in politics and independence in journalism. The TRIBUNE, which years ago declared that it was not and never would be a party organ, claims the verdict, as the popular vindication of its course, and recognizes in the result the voice of the people for reform and integrity in government, for candor and independence among newspapers. During the campaign which has just closed THE TRIBUNE has fully maintained its right to the title of "Leading American Newspaper." This position it has earned and retains for the following, among other reasons:

It publishes all the news, earlier, more fully, and more intelligently than any other paper.

It insists on peace throughout the whole country, the right of local self-government, and the protection of all classes in the exercise of their just and legal rights.

It advocates confidence and good feeling between North and South, and labors for an honest and abiding reconciliation.

It maintains fairness and candor toward all public men and questions, and dignity and courtesy towards associates and rivals.

It publishes scientific news, reports, discussions, and discoveries to a degree of fulness and accuracy never before attained by any paper.

It gives every week ten or more columns of the most carefully prepared agricultural matter during the year, much more in the aggregate than the entire contents of any other agricultural publication, and the whole forming a department of which an eminent agricultural editor said: "It has done more to make good farmers than any other influence which ever existed."

It has published a series of scientific and literary extracts which have met a wider sale and more emphatic popular approval than any similar publication of the kind.

WHAT THE SOUTHERN PRESS SAYS OF THE TRIBUNE.

We consider THE TRIBUNE a very valuable paper.--Asheville (N. C.) Citizen.

The New York Tribune, in its faithful and searching exposure of outrageous slanders on Alabama and other States, has done immense service to truth and justice.--[Macon (Ga.) Telegraph and Messenger.

We thank The New York Tribune for its manly and powerful words in demanding justice for the people of Alabama.--[Montgomery (Ala.) News.

The best newspaper in the world is the New York Tribune. It combines the dignity and sagacity of the London Times with
